Learn how to play today...Only \$39 Class & Stick Special

Aug 7—Oct 16

since 2003 "Over 2000 boys/girls introduced" to
Lacrosse in our Intro Clinics"

Get Started for only \$39--- Ages K-12th. (Boys and Girls)

Clinic only requires a stick! Before making any commitment to leagues, equipment etc, this is a great class to see if your son/daughter likes it. \$39 gets you started with our great "Intro" class & only \$39 for a stick! A perfect way to start in this exciting sport.

What is a Lax Locker Intro Clinic?

Lax Locker Director of Instruction Albin Haglund (NCAA and World Champion—40 years experience) and Women's director Brianne Ruzek (Div III starter—Oneonta State) direct these classes personally to make sure your child starts out with the proper fundamentals. Over 2000 players have attended since 2003. These clinics provide an excellent introduction to the sport of Lacrosse (the fastest growing team sport in the U.S.) Learn the great sport and be taught the fundamentals correctly without having to make a huge financial commitment up front. You decide on classes and when—according to your schedule. Each class will cover lacrosse fundamentals: Passing and Catching, ground balls, cradling, dodging, and shooting are covered along with a beginner game. Only a stick is needed to participate (provide your own or \$39 thru Lax Locker) in this FUN class!. Get involved with the "greatest sport on the planet".

FUN! FUN! Do a class with your friends and learn the "fastest growing" team sport in the U.S. today.

"If you are looking for a class to start your child in, this is it. Albin & Brianne give great 1 on 1 attention to every player in their classes and make sure their first experience is a fun & positive one. In this highly skilled game, getting off on the right foot is extremely important and Lax Locker doesn't miss a step with their instruction and positive attitude toward all students".....D.
