## FAQ Indoor League

- **Do you provide water at practices or games?** No, the complex has a snack bar and water fountains are available. You can bring your own water, Gatorade etc. However no outside food or drink is allowed in the complex
- **Will my child get proper “instruction” even if it their first time playing lacrosse?** The Lax Locker coaching staff is known for an excellent coaching staff led by Director of Instruction Albin Haglund (NCAA Champion & World Champion). We highly recommend our “Intro to Lacrosse” Clinics first
- **Do you rent equipment at Lax Locker?** No, our introductory equipment packages along with our “new” player discount (\$25 see above) assure you of quality new merchandise for almost the same price you would pay for old.
- **Will my child get equal playing time?** Yes, whether a beginner or veteran, all players get equal play time. Most kids want off the field (lots of running) before they want in (lots of substitution).
- **How do I register?** We do not take registrations on-line, however you can download our form and simply mail, fax, scan (e-mail) it in with payment info. We accept all major credit cards (mc, vs, amex, disc).
- **How do you communicate information during the season?** We almost entirely communicate thru e-mail. (Very important you include all your contact e-mail addresses on your registration neatly and accurately. We also make info available through our website [www.laxlocker.com](http://www.laxlocker.com)
- **What happens if we miss a week or two due to vacation or illness?** We have an adequate amount of players on rosters/teams so no team is left shorthanded—there are no prorations or refunds of league fees due to sickness, absences etc.
- **What happens if my child gets hurt or sick during the games?** We have all your emergency info on file if you are not attending and we coordinate with Complex management & personnel in case medical attention is needed.
